

WELCOME

a little about us...

we are an independent family business & we have a simple ethos - good food, authentic flavours and a relaxed atmosphere. we source what we can locally with an emphasis on quality and we use local independent businesses where we can. we will not compromise on quality ingredients though, so some of our ingredients come from a little further afield.

we try to make everything we can ourselves, our sourdough bases are made here at the restaurant, fresh each week, as are our waffles, slaw, cheese sauce & more, we do what we can and slowly we add more to the list...maybe one day we'll make our own beer!

whatever we do, we want you you to have a good time & enjoy our food.
